Now we would like to know what you think about multiculturalism programs in
Canada. For example, please consider the following story:
[resource end]

[resource caption Qtext2]
Helena is the president of the Canadian Portuguese-Catholic Action Network. Her
group has recently applied to Canada's Multiculturalism Grants and Contributions
Program for $80,000 to fund an outreach project to raise awareness of
Portuguese-Catholic contributions to Canada's culture.

Do you support or oppose the government funding Helena's outreach project?

Maintenant nous aimerions savoir ce que vous pensez des programmes de multiculturalisme au Canada. Par exemple, veuillez considérer l'histoire suivante:

```
[resource end]
```

```
[resource caption Qtext2]
```

Helena est la présidente du Réseau d'action portugaise-catholique du Canada. Son groupe a récemment fait une demande au Programme de subventions et de contributions pour le multiculturalisme du Canada pour 80 000\$ afin de financer un projet de campagne en vue de promouvoir les contributions portugaises-catholiques à la culture du Canada.

In this game, you choose a number between 0 and 100. All participants of this study will be asked to choose a number. About 1000 people will participate.

The person whose guess is closest to half the average guess would be the winner of the game.

For instance, if the average guess is 50, the person whose guess is closest to 25 would be the winner. Please indicate your guess below.

Maintenant, pour terminer, nous aimerions que vous participiez à un court jeu.

Dans ce jeu, vous choisissez un numéro entre 0 et 100. On demandera à tous les participants de cette étude de choisir un numéro. Environ 1000 personnes y participeront.

La personne dont le choix est le plus près de la moitié de la moyenne des choix gagnera le jeu.

Par exemple, si la moyenne est 50, la personne qui aura le choix le plus proche de 25 gagnera. SVP indiquez votre choix :

```
[resource caption Qtext2]
Si vous nous avez donné une adresse courriel, nous vous enverrons un courriel
