5. In your view, what are the five most salient factors that affected the outcome of the election (e.g. major scandals; economic events; the presence of an independent actor; specific issues)?

1. Economic Success of Government during Previous Legislature
2. Lack of Leadership in the Opposition Socialist Party

6. Electoral Alliances

Sometimes, electoral alliances are made at the constituency level as, for example, in Finland. Documenting who is allied with whom, and how, in each constituency is a large task and we do not expect you to do more than make some general reference to the existence of constituency-level alliances. Sometimes, electoral alliances are made at the national level -- these are the alliances that we would like you will identify. Information is sought on who is allied with whom and on the nature of the electoral alliance.

a) Were electoral alliances permitted during the election campaign?

Yes No

b) (If yes) Did any electoral alliances form?

Yes No

c) (If yes to b) List the party alliances that formed:

7. Please list party leaders and/or particularly visible candidates, and their party affiliations.

PP	Jose M ^a AZNAR
