Interviewer: Unlike it is written differently, there is just one response for each question. At the beginning of the interview, inform the respondent, that each question could be answered by "I do not know". Do not offer this response option later!!!

T1

Text

[Not back](#)

Introduction: "Hello, my name is..... and I am interviewer of TNS agency. Your address has been selected by random selection. We would like to ask you to cooperate on the survey, which we conduct for the Sociological Institute, Slovak Academy of Sciences. This survey is part of the international comparative survey. It focuses on the recent political development, your opinions on how the government and other political institutions work and we will also ask about the general election 2016. The findings of the survey will enable to compare the opinions of the Slovakia's inhabitants with those of the inhabitants of other countries of Europe and the world."
